INTRODUCTION

EFFICIENT ENTERPRISES.

Ref. No.

Date :

To,

Sub:- Introduction as registered electrical contractors for internal wiring, HT/LT electrical project.

Dear Sir,

We introduce our self as a firm engaged in the field of energy sector. We are having 15 years of extensive electrical experience in design installation, testing and commissioning of HT/LT overhead and underground lines 11/22/33KV transformer installations. 33/22/11KV sub-stations and switching stations, internal conduit wiring of multistoried, residential / commercial buildings.

We have sufficient experienced well equipped and trained engineers, skilled technicians with all advanced tools and material who carry and carryout. HT / LT installation, HT/LT switchgear panels, DG changeover panels, sophisticated internal wiring for residential, commercial complex are associated with us.

. We have complete common on installation work as below. :-

- Power installations HT / LT.
- Testing of HT / LT Boards, Transformer for new installations.
- Electrification and other Electrical work, regarding Residential Builders and power house.
- Calibration and repair of meter, Relay testing, Energy Audit etc.
- Lighting domestic and Industrial
- LAN (Data) cable laying, termination, including raceway work.
- Telephone (Intercom system) cables laying, termination, etc.
- Fabrication work like cable tray and structure related electrification work etc.

Our client list ranges from renowned builders stated as under

- 1) Amar Builders.
- 2) Olectra
- 3) Gagan Developers
- 4) Goyal Ganga Developers
- 5) Marvel Omega Builders Private Limited
- 6) Marvel Zeta Developers Private Limited
- 7) Kalpataru Properties Pvt. Ltd
- 8) Kalpataru Jade Residences
- 9) Aura Real Estate Private Limited
- 10) Kalpataru Gardens Private Limited
- 11) Icon Realty

EFFICIENT ENTERPRISES.

- 12) Icon Developer
- 13) An Arun Sane Enterprises
- 14) Kirti Developers
- 15) Achalare Realtors.
- 16) Rajshree Assocoate
- 17) ESTEEM POWER EQUIPMENTS (I) PVT LTD
- 18) Nirajkumar Associates Pvt. Ltd
- 19) Mount Vert Associates and local builders in Pune and PCMC area.

We are annexing herewith our business profile for your perusal. Kindly give us opportunities to serve your esteem organization & you will find our rates are reasonable and competitive.

Thanking you and assuring of our best services

For EFFICIENT ENTERPRISES.

EFFICIENT ENTERPRISES.

We have completed following Liasoning and Commissioning of HT Under Ground Cable, HT Switchgear Panels; LT Switchgear Panels, DG Set DG Change Over Panels Other Works in recent past.

Sr. No.	Name OF Client	Name of project & brief description of work
1	M/s Icon Realty Balewadi, Pune.	Windsor Residency Providing electrical supply 110 Residential flat having total load of 590 KW 1 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) having 380 RMT 22 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works.
2	M/s Icon Realty Wakad, Pune.	Windsor Park Providing electrical supply 110 Residential flat having total load of 580 KW 1 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) having 420 RMT 22 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works
3	M/s Icon Realty Wakad, Pune.	Windsor Apartment Providing electrical supply 66 Residential flat having total load of 294 KW 1 no. 315 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) having 460 RMT 22 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works
4	M/s Icon Realty Hinjewadi, Pune.	Viva Providing electrical supply 140 Residential flat having total load of 585 KW 1 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) having 100 RMT 22 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works
5	M/s ESTEEM POWER EQUIPMENTS (I) PVT LTD. Peth.	ESTEEM POWER EQUIPMENTS (I) PVT LTD. Providing electrical supply For factory having total load of 298 KW 1 no. 315 KVA, 11 / 0.433 distribution transformer, 1 No.11KV RMU (2 I/C + 1 O/G) having 597 RMT 11 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works
6	M/s R.R. Stone Crusher, Satara.	R.R. Stone Crusher Providing electrical supply For Stone crusher having total load of 530 KW 1 no. 630 KVA, 11 / 0.433 distribution transformer, 1 No. DP structure, metring cubicle, having 130 RMT 11 Kv HT line, LT panels, change over panels, APFC panels, LT cabling, and other allied electrical works
7	M/s Shree Sai Property, Satara.	Shree Sai Property Providing electrical supply For Ploting having total load of 293 KW 1 no. 315 KVA, 11 / 0.433 distribution transformer, 1 No. DP structure, having 560 RMT 11 Kv HT/LT line, LT panels, and other allied electrical
8	M/s Shree Sai Realty, Satara.	Shree Sai Realty Providing electrical supply For Ploting having total load of 263 KW 1 no. 315 KVA, 11 / 0.433 distribution transformer, 1 No. DP structure, having 120 RMT 11 Kv HT/LT line, LT panels, and other allied electrical works
9	M/s Sameer V. Gaikwad, Hinjewadi.	M/s Sameer V. Gaikwad, Providing electrical supply For Hotel having total load of 80 KW 1 no. 100 KVA,

EFFICIENT ENTERPRISES.

		22 / 0.433 distribution transformer, 1 No. DP structure, having 630 RMT 22 Kv HT Cable, LT panels, LT Cable and other allied electrical works
10	M/s Icon Developers, Baner.	Sterling Tower, Sanction and release of 30 KW 3 Phase construction meter with associated electrical work
11	M/s Icon Developers, Satara Road.	M/s Icon Developers, Sanction and release of 25 KW 3 Phase construction meter with associated electrical work
12	M/s Billion smiles Hospitality Services Pvt. Ltd. Aundh.	UP South, Sanction and release of 30 KW 3 Phase commercial meter with associated electrical work
13	M/s Rajashree Associates, S.No-26 Dahanukar colony, Kothrud, Pune.	Prasad Apartment. Sanction and release of 15 KW 3 Phase construction meter with associated electrical work
14	M/s Rajashree Associates, S.No-26 Dahanukar colony, Kothrud, Pune.	Prasad Apartment. Providing electrical power to Residential Complex of 15 Flats having Total Load 68 KW.
15	M/s Icon Developers, Prabhat Road.	Prajakt Apartment. Providing electrical power to Residential Complex of 15 Flats having Total Load 65 KW.
16	M/s Kirti Developers, Mirje, Shirval.	Kirti Backwaters. Providing electrical supply For Ploting having total load of 558 KW 2 no. 315 KVA, 22 / 0.433 distribution transformer, 1 No. DP structure, 1 No. of Three Pole Structure, having 175 RMT 22 KV HT Cable, LT panels, and other allied electrical works.
17	M/s Garware Bestretch Ltd. MIDC, Wai Dist – Satara.	Clubbing of 2 units i.e. Garware Bestretch Ltd. And Garware Elastomerics Ltd. Having total load of 2362 KW / 1750 KVA 33 KV XLPE cable of 50 Mtrs. With check metering and 22 KV breaker.
18	Amar Builders, Baner 87 Realty, Baner.	Baner 87 Realty Shifting of LT line from plot no 87 Baner.
19	M/s Mega Developers, Wadgaon	Maval Shedes Providing electrical supply 200 Residential flat having total load of 600 KW 1 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) having 450 RMT 22 Kv HT line, LT panels, change over panels, LT cabling, and other allied electrical works.
20	Amar Builders, Baner 87 Realty, Baner.	Baner 87 Realty Providing electrical supply For construction site having total load of 45 KW 1 no. 630A manual change over panel & 1 no. 160A manual change over panel, 1 No. Mini feeder pillar, having 3.5 C X 240 Sq.mm 80 RMT LT Cable, LT panels, and other allied electrical works.
21	Amar Builders, Ptitam Constructions Pvt. Ltd. Baner.	Amar Landmark Providing electrical supply For construction site having total load of 45 KW 1 no. 160A manual change over panel, having 160 RMT LT Cable, LT panels, and other allied electrical works.

EFFICIENT ENTERPRISES.

22	Nadan Valens Associates LLP	Amar Nandan Tech Park Providing electrical supply For construction site having total load of 45 KW 1 no. 4 Way feeder pillar. having 3.5 C X 240 Sq.mm 105 RMT LT Cable, LT panels, and other allied electrical works.
23	Nandkishor Pallod	Pallod 1 Providing electrical supply For construction site having total load of 45 KW having 75 RMT LT Cable, LT panels, and other allied electrical works.
24	Amar Builders, Ptitam Constructions Pvt. Ltd. Baner.	Amar business Park Dismantling of pole mounted 100 KVA transformer center complete including feeder pillar, HT, LT Cables etc.
25	Enkei Wheels Inida Limited	Supply & Installation of 22kV/3000KVA Complete Outdoor Substation with Necessary Accessories with Metering, 2 Pole Structure, VCB/RMU LT Distribution Panel Complete with APFC Panel
26	Endurance Technologies Limited	Supply & Installation of 22kV/1500KVA Complete Outdoor Substation.
27	Sigma Electric Manufacturing Private Limited	Supply and installation of 22 KV H.T. Metering Cubical, Supply and installation of maintenance free Earthing Electrode, Chemical Bore Earthing, Supply and Installation of 80 KVAR, 440V Three phase, 50 cycles, APFC panel.
28	Wheels India Limited	Electrification work Aluminum Armored 400Sqmm Cable lying & End Termination.
29	Huf Inida Private Limited	Supply & Installation of 22kV/1250KVA Complete Outdoor Substation with Necessary Accessories with Metering, 2 Pole Structure, VCB/RMU LT Distribution Panel Complete with APFC Panel
30	Innovative Automation	PLC Programming (Delta, Mitsubishi, Siemens)
31	Rudranee Infrastructer Limited	EHV Line Projects. Counter Poise Earthing Including excavation pits/trenches, laying of earth wire and fitting of plates to tower legs, Erection of towers with extension.
32	Spicer India Limited	Utility Maintenance. (ACB, VCB, DG Set, Compressor, etc)
33	PCP Auto interiors Pvt Ltd.	LT Panels Manufacturing.
34	Gestamp Automotive india Private Limited	Machine Reconditioning
35	Kingfa Science & Technology Inida Limited	Shifting Of HT & Lt Overhead Line in Front of Kingfa Science & Technology Limited, SITC Of 170KVA Construction Power Connection, Approval & On Site Erection & Charging.
36	Advik Hi-Tech Private Limited	Bore Earthing With Material, 300Sqmm POWER CABLE lying & Termination, 625KVA DG Set Installation & Commissioning
37	ACG Pampac Mchines Pvt. Ltd.	Electrical installation, Point Wiring, DB Installation
38	Amar Builders, Cityspace Developers LLP	S.No. 46 & 47 (Part Kothrud) SRA Providing electrical supply 752 Residential flat (610 Proposed + 142 Future) having total load of 1514 KW 2 no. 630 KVA, 22 / 0.433 distribution transformer + 1 no. 315 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 3 O/G) having 1105 RMT 22 Kv HT line & 2080 RMT LT Line, 6 No 4 way Feeder pillar, 1 No. 6 way Feeder pillar with 1000A ACB + 1 No. 6 way Feeder pillar with 630A ACB LT panels, change over panels, LT cabling, and other allied electrical works.

EFFICIENT ENTERPRISES.

39	SJ Contracts Pvt.Ltd. (AIGP)	Providing electrical supply Commercial Project having total load of 519 KW 1 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 3 O/G) + 1 No.22KV RMU (2 I/C + 4 O/G) having 400 RMT 22 KV HT line & 900 RMT LT Line, 1 No of Metering Kiosk, Multiparty meter panels, change over panels, LT cabling, and other allied electrical works.
40	Amar Builders, Ptitam Constructions Pvt. Ltd. Baner.	Amar Landmark Providing electrical supply 68 Residential flat having total load of 1150 KW 2 no. 630 KVA, 22 / 0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 2 O/G) + 1 No.22KV RMU (1 I/C + 1 O/G) having 200 RMT 22 KV HT line & 3000 RMT LT Line, 2 No 4 way Feeder pillar, 2 No. 6 way Feeder pillar with 1000A ACB, LT panels, change over panels, LT cabling, and other allied electrical works.
41	Amar Builders, High spot Properties LLP (AP 81)	AP 81 Providing electrical supply 15,00,000 Sq. ft. Commercial Project having total load of 8000 KW 4 no. 2500 KVA, 22 / 0.433 distribution transformer, 2 No.22KV RMU (2 I/C + 1 O/G) + 1 No.22KV RMU (2 I/C + 4 O/G) having 5000 RMT 22 KV HT line & 4000 RMT LT Line, 1 No of Metering Kiosk & 1 No Of Check Meter, Multiparty meter panels, change over panels, LT cabling, and other allied electrical works.
42	Amar Builders, City Point Construction LLP (AP 81)	Amar Tech Park (ATP) Providing electrical supply 14,00,000 Sq. ft. Commercial Project having total load of 7500 KW 4 no. 2000 KVA, 22 / 0.433 distribution transformer, 1 Nos 630 KVA 22/0.433 distribution transformer, 1 No.22KV RMU (2 I/C + 1 O/G) + 1 No.22KV RMU (2 I/C + 2 O/G), 1 Nos 22 Kv VCB panel with separate C & R Panel having 2110 RMT 22 KV HT line & 2000 RMT LT Line, 1 No of Metering Kiosk & 1 No Of Check Meter, Multiparty meter panels, change over panels, LT cabling, and other allied electrical works.
42	Olectra OHA Commute Private Limited	PMPML – 150 Busses Project Total Turnkey for supply, Erection & Commissioning of 22 KV (1+5 Nos) HT Panel (RMU) – 01 No. 45 Nos of 80 Kw AC EV chargers & 03 Nos of 180 Kw DC EV Chargers with all necessary equipment's Erection & commissioning of 04 Nos of 22/0.433 Kv 1250 KVA PSS HT LT Cable Supply & Laying, Earthing material supply & connection Supply & fixing of charger stand, Energy Monitoring System and CIG Approvals)

EFFICIENT ENTERPRISES.

43	Olectra Evey Trans Private Limited	PMPML – 70 Busses Project Total Turnkey for supply, Erection & Commissioning of 22 KV (2+4 Nos) HT Panel (RMU) – 01 No. 35 Nos of 80 Kw AC EV chargers & 02 Nos of 180 Kw DC EV Chargers with all necessary equipment's Erection & commissioning of 03 Nos of 22/0.433 Kv 1250 KVA PSS HT LT Cable Supply & Laying, Earthing material supply & connection Supply & fixing of charger stand, Energy Monitoring System and CIG Approvals)
44	Olectra Evey Trans Private Limited	DC Charger Installation Under PAN INDIA 11 Nos of 180 Kw DC EV Chargers with all necessary equipment's LT Cable Supply & Laying, Earthing material supply & connection Supply & fixing of charger stand, Energy Monitoring System.

We are working on following projects Liasoning and Commissioning of HT Under Ground Cable, HT Switchgear Panels; LT Switchgear Panels, DG Set DG Change Over Panels Other Works in recent past.

Sr. No.	Name OF Client	Name of project & brief description of work
1	Amar Builders, (Amar Tech Center)	Amar Tech Center Providing electrical supply 3,50,000 Sq. ft. Commercial Project having total load of 2000 KW 1 no. 2500 KVA, 22 / 0.433 distribution transformer, 2 No.22KV RMU (2 I/C + 1 O/G) + 1 No.22KV RMU (2 I/C + 1 O/G) having 1000 RMT 22 KV HT line & 2000 RMT LT Line, 1 No of Metering Kiosk & 1 No Of Check Meter, Multiparty meter panels, change over panels, LT cabling, and other allied electrical works.

Welcome to EFFICIENT ENTERPRISES

We are a known service provider with experience in carrying out a variety of Electrical and Mechanical Works, Cable Jointing Kits and Street Lights. Our specialized services have been applied in various organizations across the sectors.

Profile

With over 10 years in the industry, we are totally competent and in offering an array of services. Our portfolio of services include **Cable Jointing Kits, Industrial Wiring, House Wiring, Transformer related works, Lifts and Generators related works and HT/LT related Works.** Besides this, we are also proficient in supplying street light fittings. With our in-depth knowledge and skills regarding the field, we have completed numerous projects for reputed organizations. Our team of experts also ensures that all our solutions are in compliance with the local rules and regulations.

To ensure the use of best quality products in our projects, we have established a relationship with a large number of reliable and known vendors who provide premium quality machines and other equipment. The combination of flawless services with these high quality products has enabled us to penetrate deep into the market and develop a strong customer base spread all across the country.

Business Specifics

Nature of Business : Service Provider

EFFICIENT ENTERPRISES.

Electrical Work

We take pride in being a prominent service provider for a wide variety of Electrical Works. Our constant efforts are aimed at maximizing customer satisfaction by providing world class products and services at best prices. We also offer Transformers Installation Works, Lifts & Generators Related Works, Industrial & House Wiring, HT and LT Related Works.

Transformers Installation Works

We offer highly specialized services of undertaking Transformer Installation Works. These projects are carried out in an efficient manner by utilizing our advanced methodology and latest techniques. Our technicians have a detailed understanding of the field and are experts in rendering trouble free functioning transformers for all types of projects.

Lifts and Generators Related Works

We are also proficient in offering all kinds of services concerning to Lifts and Generators Related Works. These comprehensive services include supplying, installation, implementation and maintenance works.

We are also able to provide customized solutions to suit any particular requirement of the clients.

These services are available at very reasonable rates.

EFFICIENT ENTERPRISES.

Electrical Work

HT and LT Related Works

We are an eminent supplier and service provider, involved in offering a variety of high tension (ht)/ low tension (lt) line erection services. These highly specialized solutions are developed and implemented by our team of highly qualified and experienced personnel who are able to provide appropriate customized solutions as per the customer's requirements. Our team of experts is proficient in offering integrated ht/lt services to our clients by employing our effective methodology and infrastructural capabilities. We have successfully delivered a number of such projects for large corporations and government departments.

Industrial and House Wiring

We have developed competencies in undertaking various types of Industrial and House Wiring works for our customers. These projects are implemented and executed by our talented experts who take all the detailed information and requirements of the customers into account to deliver perfect results every time. We have the sufficient experience and knowledge to successfully develop and deliver these solutions for industrial, commercial and residential buildings.

EFFICIENT ENTERPRISES.

Electrical Work

Street Lights

We are offering Street Lights Supplying and Erection.

Street Lights Supplying and Erection

We have immense experience in supplying and erection of all types of street light and related services. All the used products are procured from reputed vendors and are of assured quality. We utilize our advanced tools and equipment for implementation of these erection-works as per the specifications and needs of our clients. The various products and services offered by us under this category include:

- Street Light Pole Material
- High mast
- High mast Material
- Poles
- Street Light LED Fittings
- Sodium and Mercury Vapor Bulbs

Cable Jointing Kit

We offer our services for supplying of all kinds of Cable Jointing Kits and providing Erection Works up to 33KV. This range of Cable Jointing Kits is of premium quality and is available up to a range of 400KV switchyards. All the products we provide are sourced from the leading manufacturers, who use quality-tested raw material to fabricate their products. Our cable joining kits are widely used in a large number of projects for erection and commissioning of HT/LT lines. The key features of our kits are:

- Capacity to withstand voltage fluctuation
- Highly durable with a long service life
- Ability to endure high temperature

EFFICIENT ENTERPRISES.
